RE: REQUEST FOR CLARIFICATION OF NEW RECRUITS

We are pleased to inform you that the Department of Public Works, Roads, Energy and Transport has so far received 13 technical officers reporting in different capacities.

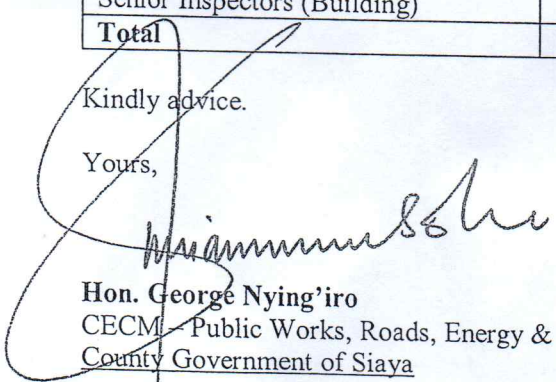

It is worth noting that the number received exceeds the advertised by two.

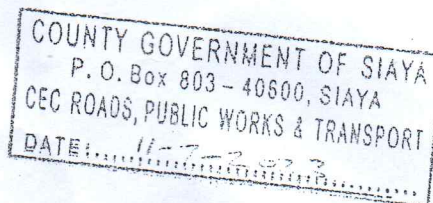

Out of the 13 positions there is a slight variation in the request made against that received as illustrated below.

Vacancy Advertised	JG	Number Requested	Number Reported
Assistant Engineer (Electrical)	K	1	1
Assistant Engineer II (Roads/Structural)	K	1	1
Architectural Assistant	J	1	2
Road Inspectors	J	3	5
Assistant Engineer (Mechanical) Building	K	1	0
Quantity Survey Assistant	J	2	1
Senior Inspectors (Building)	J	2	3
Total		11	13

Kindly advise.

Yours,

Hon. George Nying'iro
